The Taylor County Board of Supervisors met in regular session, with Jerry Murphy, Charles Ambrose, Doug Horton and County Deputy Auditor Sue Cox present.

After roll call the Board approved the agenda for today's meeting and the minutes of the last meeting.

Angela Green, Taylor County Sanitarian, spoke to the Board in reference to a letter from Advanced Disposal in reference to obtaining records for residential solid waste and recycling contracts in the county. Since there are no solid waste or recycling contracts with the county, Angela was asked to write a letter stating that the county does not hold any contracts for residential solid waste or recycling for Taylor County.

Paul Norton called in during the Board meeting regarding cemetery plot in Conway Cemetery.

No further business came before the Board at this time and the meeting adjourned subject to call.
