The Taylor County Board of Supervisors met in regular session, with Jerry Murphy, Charles Ambrose, Doug Horton and County Deputy Auditor Sue Cox present.

After roll call the Board approved the agenda for today's meeting and the minutes of the last meeting.

Jan Beach-Sickels, Taylor County Ambulance Director, met with the Board to talk about two bids she had for a new ambulance. Both are 2017 models. The Board asked Jan to come back next week to discuss the cost if we trade in one of our older ambulances. Jan also spoke to the Board about the Blockton ambulance agreement. Jan will bring the paperwork back for the Board to discuss after changes are made to it.

Sheriff Josh Weed visited with the Board regarding the need to purchase a camera to use with the new software that was approved previously. Security cameras were also discussed.

No further business came before the Board at this time and the meeting adjourned subject to call.
