After roll call the Board approved the agenda for today's meeting and the minutes of the last meeting.

No bids were received for snow removal for the law enforcement center. The Board held a phone conference with Pat Blacketer about snow removal and he will get back with a bid. Blacketer also discussed mowing at the law enforcement center.

The Board approved the claims against Taylor County as listed in the "Publishing Claims List" dated December 17, 2015.

County Engineer Eldon Rike met with the Board. Rike explained that they were buying new surveying equipment. The current equipment is so old that it is hard to order parts for them.

No further business came before the Board at this time and the meeting adjourned subject to call.
