Trevor visited with the Board about turning roads to Service Area C. Currently the ordinance requires the county to put gates at the end of the roads that have been vacated. The Board would like to change the ordinance to make it the landowner's responsibility to put up the gates and maintain them. If this is not completed, then the county will do it and charge it the landowners. Trevor will work on the paperwork to get this done.

Trevor also visited with the Board on the truck they would like to put out for bids. The Board agreed to take bids for a new dump truck that will also plow snow.

Matt Hanson, Attorney for Precious People Preschool presented a petition to suspend and abate the taxes for the property. The city and the school are ok with abating the taxes. Ambrose would like to have documentation from the school and city that they were ok with abating the taxes. The Board agreed this is an essential service for the community. Horton made a motion seconded by Ambrose to abate the taxes for the 2017 taxes of $33,256.00 and the 2018 value of $936,120 so no more taxes would be incurred. Motion carried 3-0.

No further business came before the Board at this time, and the meeting was adjourned subject to call.
